Dear Family and Friends,

Hi everyone! We hope this newsletter finds you enjoying the last bit of summer before the school year begins!

The month of July, though HOT, has been an incredible month. Our new baby niece was born on July 13<sup>th</sup>. Her name is Chloe Annabelle Aguilar, and she was born at 6 lbs. and 19 inches. She is beautiful, and we want to praise God for sending her.

We were able to finish up Summer Missions with a bang. Seriously, we had so many teenagers show up for the last 2 weeks that we didn't really have much more space to grow (which is good, but definitely a problem to be looked into for next summer). Not only did we have a successful mission team, we also had some of the teens ask if we could find a way to help them continue to serve the community during the school year! So, we are going to be having a Missions day once a month on a Saturday over the school year...and we will be asking adults to get involved too!

Also this month, we were blessed to be able to hold 2 more art classes through the Arts Academy, once again taught by Kristen Robison. We were able to display their amazing artwork at "the café," a restaurant in Fieldstore one evening after the last class. Many people came to look at the artwork, and Traci was able to enjoy watching one of her voice students and one of the art students as they each took a turn performing songs for the people gathered. Then, a huge blessing, she was given the opportunity to sing for the crowd as well!

Jael and Josiah have had a great month as well. Josiah is continuing to expand his speaking skills, as he's added the words "baby," "Bob" (the tomato) and "Buddy" to the list. He's also connecting actions with words, for example, he waves when we say goodbye to someone. And Jael is excited about her upcoming fall schedule, which includes going to Mother's Day Out with her brother and starting a new ballet/tap class. She's very excited about "being big enough" to get tap shoes.

Another incredible thing that's happened this month, though bittersweet for us, is that our close friend Elizabeth Raines flew to Juarez, Mexico to train under YWAM (Youth with a Mission). She will be studying many avenues of being a missionary and hopes to learn a bit about human trafficking. She will also be given the opportunity to do outreach with her team and will be gone from home for about 4  $\frac{1}{2}$

Our good friends, Mark White, will be firing up his new smoker to cook up some of his fabulous brisket, and it is shaping up to be an awesome night filled with incredible music, fantastic food, and ministry opportunities everywhere. Gateway Christian Fellowship in Hockley has graciously agreed to host the show, and we will be filling in the details as the event draws closer.

On Monday, November 14<sup>th</sup>, we will be welcoming a group called Spasenie to our area to hold a concert for us. They are a
